st. Novoseliv 10, Illinka, district Biliaivskyi, region Odeska, 67630, Ukraine

About me:

I live in a beautiful port city called Odessa

After graduating from school, I decided to connect my life with computers and entered the first year of the Odessa National Technical University at the Faculty of Computer Science

And at the end of the second year, I realized that I like web development and began to work in this direction, there was even a small startup that, of course, fell apart
